Directions: use the space below to write about anything you want.

Example: Today was a nice day. It was very sunny and warm. I ate lunch with one of my friends who is very smart. She is studying to be an engineer. We laughed and talked together. After work, I picked my kids up from school. They were tired and did not want to go to their piano practice. I promised them ice cream if they did not complain about it. They behaved well and I got them the ice cream afterwards.
