## Exercise 27

### Present Tense

Fill in the spaces with the correct form of the verb in simple present perfect tense.

**Note:** To form the simple present perfect tense, **has** or **have** is used with a **past participle** (the word that comes after "had") to describe an action that **has happened in the past and may still be happening**. The past participle is often **regular**, and therefore retains its simple past tense spelling, as "visited" does here.

**Example:** I / You / We / they (visit) have visited Argentina before.

**Example:** He / She / It (visit) has visited Argentina before.
