## Answers and Explanations

1) **D**

**cater** (*verb*): to try to satisfy a particular need or demand: *A good assistant will cater to his or her boss's every demand, always attempting to grant any request.*

2) **A**

**accentuate** (*verb*): to make more noticeable or prominent: *Afraid that the restaurant's sign was not easy to see, the manager decided to accentuate it with neon lights.*

3) **C**

**eccentric** (*adjective*): odd: *Belle's father was an eccentric old man who devoted most of his time to developing his unusual inventions.*

4) **D**

**commotion** (*noun*): a state of confused and noisy disturbance: *A commotion broke out in the hallway, and all the students rushed out to see what triggered the disturbance.*

5) **A**

**covert** (*adjective*): not openly acknowledged or displayed: *Spies excel at covert operations, and a good spy can go an entire lifetime without anyone ever knowing he or she was a secret agent.*

6) **E**

**vigorous** (*adjective*): strong, healthy, and full of energy: *Like most professional athletes, Muhammad Ali remained vigorous for his entire career and continues to be strong and active in retirement.*

7) **B**

**aristocratic** (*adjective*): distinguished in manners or bearing: *Throughout the seventeenth and eighteenth centuries, the aristocratic class in France largely dictated fashions, and most in the world sought to dress like the flamboyant French nobility.*

8) **C**

**obscene** (*adjective*): considered offensive, disgusting, or indecent by accepted standards of morality and decency: *Henry Miller's Tropic of Cancer was considered too obscene to be published in the United States, but those who were not easily offended would often by copies printed in France.*

9) **A**

**pessimistic** (*adjective*): tending to see the worst aspect of things or believe that the worst will happen: *While no one should be completely optimistic, no one should ever be completely pessimistic either; it is better to be someplace in the middle, anticipating both good and bad outcomes.*

10) **E**

**drench** (*verb*): to make thoroughly wet or soaked: *The rain fell so heavily that everything outside became completely drenched.*
