

# Correlative Conjunctions

Correlative conjunctions are pairs of conjunctions that work together to coordinate two items.

## Common Correlative Conjunctions:

both...and	either...or	not (only)...but (also)	neither ...nor
------------	-------------	-------------------------	----------------

**Example:** Both my sister and I will attend the party.

“*my sister*” → first item

“*I*” → second item

The correlative conjunction “**Both**” is used to coordinate the item “*my sister*”, while the correlative conjunction “**and**” is used to coordinate the item “*I*”.

**Directions:** try to fill in the blanks using the appropriate conjunction. Use commas where necessary.
